

5 Day Kitchens™ expands into Chattanooga

5 Day Kitchens™ is expanding in the Chattanooga, Tenn., area to offer customers the best value, selection and quality for their kitchen remodeling projects.

New franchise owners Dustin, Travis and Nelson Wong previously worked for C&D Cultured Marble, and they opened a Re-Bath® franchise in Chattanooga in 2000.

“We are excited to welcome the Wongs to the 5 Day Kitchens™ family,” said Re-Bath® and 5 Day Kitchens™ President and CEO Mark Dawson. “They hold a wealth of experience in both remodeling and as business owners, so they’re the perfect candidates for bringing the services 5 Day Kitchens™ offers to Chattanooga-area families.”

Dustin, Travis and their father, Nelson, all were born in Chattanooga and graduated from the University of Tennessee at Chattanooga. Nelson is married to Marcetta, who teaches at Cloud Springs Elementary, part of the Catoosa County Schools system. Travis and his wife, Kayla, have one daughter, and Kayla teaches at Tiger Creek Elementary School in Tunnel Hill, Ga. Dustin is married to Jessica, who works for BlueCross BlueShield of Tennessee.

The Wongs know from experience that being part of a respected franchise brand puts them in a better position. They have already assembled a team of experienced installers to work for their new company.

“I’m excited to form a business relationship with a first-class company and operation like 5 Day Kitchens™,” said Dustin. “After months of research, nobody came close to the professionalism and integrity portrayed by this company. They give their franchisees all the ammunition they need for a fail-proof concept. I can’t wait to open my doors in February to share these amazing services with Chattanooga-area homeowners.”

Re-Bath® and 5 Day Kitchens™ franchisees receive exclusive territories, industry-leading products, sales, marketing and operational support, a complete training program, and patented installation technology.
