## **BlueFrog Plumbing + Drain™ announces new Franchise Consultant**

Tempe, Ariz. — BlueFrog Plumbing + Drain™, a new franchise opportunity that focuses on plumbing and drain-cleaning services for both residential and commercial clients across North America, today announced the appointment of Jack Pruitt as Franchise Consultant.

“Jack is a key addition in our mission to build the premier franchise plumbing service company in North America,” said Jeff Moody, Vice President of Operations for BlueFrog Plumbing + Drain™. “I’ve worked with and known Jack for many years, and our franchise partners will greatly benefit from Jack’s extensive experience in franchising and the plumbing service industry. We welcome him to our growing operational support team.”

An accomplished executive, Pruitt has more than 20 years within the franchise industry, including ownership of four franchises. Prior to his role with BlueFrog Plumbing + Drain™, Pruitt served as a business consultant for a national plumbing franchisor, where he developed training courses for three franchise brands and redeveloped the company’s pricing guides and home and safety inspection checklists, among other responsibilities. Over the past 15 years, Pruitt has received more than 30 industry awards, including a Franchise of the Year designation and many sales and leadership honors. Pruitt also holds a Master Plumber license.

When asked about his decision to become the newest member of the BlueFrog Plumbing + Drain™ corporate team, Pruitt’s explanation was simple. “With being a part of some organizations, we limit ourselves,” he said. “As part of the BlueFrog™ team, we’ll build a fantastic company, and the sky will be the limit.”
